

GESELLSCHAFT
ÖSTERREICHISCHER
CHEMIKER

Alpen-Adria-Universität Klagenfurt

10 – 13 September 2007

1st CIRCULAR

12. Österreichische Chemietage (10 – 13 September, 2007)

The Aim of the Conference:

The main focus will be in connection with the CE water framework directive

Rund ums Wasser All about Water

However during the Austrian Chemical Days, the whole field of chemistry will be presented. The chemists of Austria, Slovenia and the other neighbouring countries will have the possibility to meet. In particular, younger colleagues are invited to present their scientific results either as a lecture or as a poster. The 12. Österreichische Chemietage, in a scientific partnership between two neighbouring EU countries, will be a joint meeting of the Slovenian Chemical Society and the Austrian Chemical Society. Therefore for the first time the language of the conference will be English. So we invite all participants to send their abstracts in English. "If need be", abstracts and presentations will also be accepted in German.

Programme:

Monday, 10 September, 2007
